## ESW Acquires O'Neill Technologies, Expanding IT Services Across Vancouver and the Lower Mainland

### FOR IMMEDIATE RELEASE

Western Canada September 12, 2025 – ESW I.T. Business Advisors (ESW) and O'Neill Technologies Inc. (OTI), are pleased to announce our newest partnership. The acquisition enhances our ability to serve clients with broader capabilities, deeper technical expertise, and a stronger presence in the Vancouver Market. A step forward in our commitment to delivering exceptional service and expanding our capabilities.

### A combined force for Western Canada

ESW is a top IT business advisor and managed services provider with 25+ years of experience and five locations across Western Canada. We specialize in full-service IT, Managed Print, Cloud, Cybersecurity, Microsoft and ERP solutions, and industry Field Support. Together, ESW and OTI offer organizations in Western Canada a uniquely comprehensive and responsive technology partnership focused on business value and operational efficiency

### Better together

Better together, ESW and OTI now offer an unparalleled range of services: IT business consulting, advanced cloud solutions, custom application development, security solutions, operation technology optimization, managed IT services, and much more. Clients across Western Canada will benefit from our shared values and team approach for operational excellence, innovation, and a relentless focus on customer success.

Graham Plett, **President, ESW I.T. Business Advisors**, shares his excitement about welcoming OTI:

"OTI brings a legacy of client relationships and technical know-how to the ESW family. This acquisition means we can deliver even more value to our customers, accelerating digital transformation and strengthening our market position in Vancouver and beyond."

Robert Haliburton **CEO & President, O'Neill Technologies Inc.** joins in this vision:

"By combining forces with ESW, our customers gain access to enhanced solutions, faster response times, and a broader team of experts. We remain committed to fair pricing, operational security, and keeping small to medium-sized businesses running smoothly and efficiently."

Together, ESW and OTI are positioned to bring the best of both organizations to our clients, continuing our tradition of trust and service excellence.
